

FULHAM PREP SCHOOL

ADMISSIONS POLICY

Fulham Prep is a non-denominational school with a Christian ethos which welcomes all children irrespective of race or faith. The school welcomes applications from pupils of all social and cultural backgrounds regardless of ethnicity, culture or religion, home language, family background, disability, or other attributes, as stated in the Equality Act 2010, who would benefit from an academic education and would contribute fully to the wider life of school.

Fulham Prep Schools are three schools, Pre-Prep, Prep and Senior; albeit on three sites. The expectation is that once admitted children will remain at Fulham Prep until at 13+(boys) and 11+ or 13+ (girls). Staying into the Senior School is an option, but children will be prepared for competitive entry into other senior schools at 11+ or 13+ if that is what the parents wish.

Children are not prepared for 7+ or 8+ entry to other Prep schools and parents who are planning a 7+ or 8+ entry to a particular Prep school should consider sending their children to a stand-alone Pre-Prep school which does prepare children for such exams.

Sibling Policy

Fulham Prep Schools, as a co-educational group of three schools with a family centred ethos, prioritises the admission of siblings who wish to be educated at the same school. To facilitate this, preference will be given to applications from girls and boys who have a sibling currently being educated at the school. Admission of a sibling to Fulham Prep or Senior is dependent on availability of places and there may be occasions where we judge that a sibling is likely to thrive better in a different academic environment.

Equality Policy

In line with the Equality Act 2010, the school seeks to ensure that pupils with special educational needs and/or disabilities (SEND) are not treated less favourably or put at a substantial disadvantage in matters of admission. The school will always take reasonable measures to support a child with physical difficulties and where possible will make adjustments for accessibility where required.

It is a condition of entry that parents provide the school with any details of any SEND, with copies of all written reports and other relevant information before their child attends an

introductory session (at the Pre-Prep) or an assessment morning at the Prep or Senior School. Should such a diagnosis be made after a place has been offered and accepted, or after a child has started at the school, parents are still under an obligation to provide the school with any relevant diagnosis of medical or educational needs.

The school will consider admitting children known to have special educational needs, provided that the school feels that it can adequately meet the child's needs without unduly prejudicing the education and welfare of other pupils. In a situation where the School felt unable to provide for a pupil's special needs this might inform their decision whether or not to accept the pupil.

NON EEC nationals must provide evidence of entry visas and right to reside in the UK according to UK Border Authority regulations which apply to all UK schools. The School is licensed to provide a limited number of CAS numbers, which is required in order to apply for a Tier 4 visa. These will not be provided until a place has been offered, and the deposit and first term's fees paid and are at the discretion of the School.

EAL: Pupils whose first language is not English may be required to take an EAL test prior to sitting our assessment papers with UKiset.

All other term's and conditions with regard to entry to the School can be obtained from the school website or the Registrar (admin@fulhamprep.co.uk).
